ARMY CIRCULAR.

No. 2.—1867.

War Office, 22nd February, 1867.

llowing regulations and instructions are promulgated to the Army by direction SECRETARY OF STATE FOR WAR, in accordance with the arrangements detailed y Circular No. 1 :—

FINANCE.

3.—Ration Allowances.

neral Number 1309.

The Secretary of State for War has decided that the following ration allowshall be issued to the families of soldiers on the married establishment of a nt or corps, on home service, when the troops are compulsorily separated from ir duty :—

each wife, in lieu of a half ration ... ... 3*d.* a-day
each legitimate child under 14 years of age, in lieu of a quarter ration 1½*d.* ,,

allowances will not be issued unless the period of separation exceeds four days. the period exceeds this limit, the issue will be made, but only from the fifth day re.

ns for the allowances will be forwarded to this office through the Quarter Master l, on W. O. Form 772, and will in each case be accompanied by an explanation reasons for the separation in consequence of which the allowances are claimed.

Office Circular No. 980, dated the 29th October last, is hereby cancelled.

4.—Expenditure on Works.

ney 2—563.

With reference to War Office Circular, No. 806, dated 9th February, 1863, the ary of State for War finds it again requisite to call the attention of general officers ding to the absolute necessity of confining their special warrants for expenon works to cases which will clearly *not* admit of the delay of a reference to n.

retary Lieutenant General Peel must impress upon general officers commanding they are not warranted in ordering any service simply because it is in their opinion able, or even necessary ; but that the power entrusted to them must only be exerin cases when service is not only necessary, but is *immediately* necessary.

eral cases have come before General Peel of services being authorized which, h doubtless desirable in themselves, were certainly not of immediate necessity. d such cases been referred to General Peel, he would have felt himself compelled pone them until funds for their execution had been voted by Parliament. He request general officers commanding to exercise the same control, and he must nd them that to secure an efficient and sound administration due weight must be to considerations of finance.

5.—Correspondence.

ns.

With reference to the instructions to general or other officers commanding the s at foreign stations, conveyed in the letter from this office, dated the 19th October, (Circular No. 156), Secretary Lieutenant General Peel desires that, in the event of deal heads of the departments therein referred to having occasion to make representations or proposals which involve expenditure for which the authority of the etary of State for War has not been given, or which may affect any other department besides their own, or concern the troops (except as regards discipline and duties), correspondence should in all such cases be forwarded through the general officer manding, in order that in transmitting the same for the consideration of the Secretary State for War, he may append such observations and recommendations in reference reto as he may consider desirable.

he direct correspondence between the heads of departments in this office and their al representatives will thus be restricted to routine business connected with services horized by the Secretary of State for War, and to the professional matters special each branch.

ARMY CIRC. No. 2 – *continued.*

6.—Bagatelle Tables.

56—Curragh—1234.

Commanding officers will be held responsible that the bagatelle tables supplied for use in recreation rooms are kept in a thorough state of repair.

Barrack masters will not, therefore, be required to inspect the tables except when troops are relieved; and if any repairs are then found to be required, barrack masters will estimate the amount necessary for executing them; and will cause such repairs to be made forthwith, in order that the tables may be perfectly fit to hand over to the incoming troops.

The amount assessed for repairs will be at once credited to the public by the Paymaster of the outgoing corps, and it will rest with the officer commanding to determine whether the amount shall be taken from the canteen fund, where such exists, or whether it shall be levied on the troops in the ordinary manner.

7.—Prison Clothing.

59—General Number 564.

Separate annual requisitions will be forwarded to this office for the supply of prison clothing, referred to in Horse Guards General Orders for the present month, [illegible] commanding officers will see that the clothing in question is kept quite distinct from the regimental clothing and necessaries. The receipt and disposal of the articles will be shown in the Annual Clothing Statement, W. O. Form, 602. On a regiment leaving a station the prison clothing will be transferred to the relieving regiment.

8.—Prices of Necessaries. (*See Appendix II.*)

52—General Number 1611.

The accompanying list of prices* will regulate the sums to be charged to the [illegible] for all necessaries issued on payment on and after the 1st April next, except at [illegible] foreign stations where this Circular shall not have been received on that date, [illegible] case the prices contained in W. O. Circular, No. 948, dated 27th March, 1868, will continue in force until the receipt of the present Circular at the station. The date of receipt will be inserted in the Kit Account.

If any articles, other than those detailed in the accompanying lists, be required for payment, a separate requisition will be forwarded for them, and they will be included in the annual account of free kits and regimental necessaries. Payments for such articles will be made during the quarter in which they are received, [illegible] event of their being received during the last month of the quarter) in the [illegible] quarter. Care will, therefore, be taken that no larger quantities are [illegible] demanded than the regiment is prepared to pay for in the manner above [illegible]

Serjeants' forage caps, summer frocks and fatigue trousers, although not [illegible] necessaries, may be accounted for in the annual account of free kits and [illegible] necessaries. Such articles will also be sold at the prices herein mentioned [illegible] charge as surplus clothing.

9.—Barrack Expenditure. (*See Appendix I.*)

7968—1617.

Barrack masters and acting barrack masters will in future furnish, monthly, to the superintendent of the barrack department, a return on the accompanying [illegible] showing in detail the expenditure during the preceding month chargeable to [illegible] Army Estimates, and the authority for such expenditure. All officers, [illegible] making payments chargeable to this vote, will furnish the barrack master [illegible] barrack master in charge of the barrack division in which they may [illegible] statement, by the 3rd of the month, showing, in such detail as to enable [illegible] form to be filled in, the payments made by them on account of Vote [illegible] preceding month, and the authorities for such payments.

GENERAL ORDERS,

BY HIS ROYAL HIGHNESS

THE FIELD MARSHAL COMMANDING IN CHIEF.

NEW SERIES. FEBRUARY, 1867.

No. 11.—Musketry. (*Dated 1st February*, 1867.)

he course of "Instruction in Musketry," which was introduced in the year 1854, become thoroughly incorporated in the established system of drill for the Army, and the troops having, by constant careful training and practice, ed an amount of skill in the use of the rifle which was formerly the case only y limited extent, it has appeared to the Field Marshal Commanding in Chief e time has arrived, when the details of the instruction might be modified and , without impairing the efficiency of regiments, and without disturbing the prin- s which the system, which has been attended with such good results, was based. board of officers was accordingly assembled to inquire into the subject; and yal Highness, having attentively considered their report, has finally approved of lowing revised regulations [*published in a separate book*], which are to be forth- dopted throughout the service.

By these regulations distinct courses are provided for the recruit, and for the soldier; the lock instruction is considerably reduced; the theoretical principles ndensed; and the returns simplified as much as it was possible to do so without ing information which cannot be dispensed with.

In furtherance also of the Field Marshal Commanding in Chief's desire to reduce nual course for the trained soldier, a rigid enforcement of the attendance of first- ots at the aiming and position drills will no longer be required; and old soldiers second period of service will be excused (provided they continue efficient) from m position and judging distance drills, which, instead of being required to be l weekly as heretofore, will henceforth be left more to the discretion of Com- g Officers.

his relaxation of previous orders, however, is not to be looked upon as encouraging dference that His Royal Highness does not consider these drills *as essential elements training of expert marksmen*. On the contrary, His Royal Highness will visit his displeasure every case in which neglect to have them "*executed frequently*," as ted by these revised regulations, shall be brought to his notice.

The Field Marshal Commanding in Chief looks for the zealous co-operation of n of all ranks in carrying out the regulations now published, and trusts that the duction which he has approved in the system will not be followed by any diminu- n the "figure of merit" of the shooting of the Army.

No. 14.—Duties in Barracks, &c. (*Quarter Master General*).

The Secretary of State for War having drawn the attention of the Field Marshal manding in Chief to a recent instance of considerable loss of hospital stores having urred owing to the lax performance of the duties of inspection laid down in para- phs 25 to 31, pages 260-1, of the "Queen's Regulations and Orders for the Army,"

GEN. ORDERS—*continued.*

His Royal Highness directs that the following regulations, which are to be substituted for the paragraphs above quoted, may be strictly adhered to. Commanding Officers in barracks will be held responsible for any damages or losses that may in future be traced to a neglect on their part of these rules.

II. "Barrack-masters are required by their departmental instructions to make frequent inspections of the barracks under their charge; and in the first week of every month to apply in writing to the Officer commanding the troops to fix a day, and the most convenient hour, between the 15th and 20th of the month, for a general inspection of the barrack buildings and stores in possession of the troops, with the exception of the Officers' quarters, which are only to be inspected once in three months. Purveyors are instructed to adopt a similar course with regard to the hospitals under their charge.

III. "The regimental quarter master or officer acting for him is to accompany the barrack master or purveyor, as the case may be, throughout these inspections. Officers commanding troops and companies will attend at the inspection of their respective barrack rooms and stables. The surgeon or assistant surgeon will attend at the inspection of the hospital by the purveyor. The riding master will attend at the riding school, and the veterinary surgeon at the infirmary. These officers will attest by their signatures the list of damages or losses proposed to be assessed in each case.

IV. "A list of damages or losses—noted at the preceding monthly inspection—is to be furnished to commanding officers by the barrack master and purveyor respectively, who are to specify in the column of remarks the items remaining unrepaired or articles unreplaced, and to assign a reason for the same. Commanding officers are to satisfy themselves as to the correctness of these statements, and that the damages, &c. of the preceding month, with the specified exceptions, have been made good. They will then report accordingly to the general officer commanding the district or station. In Great Britain, where the station is not included in any military district, these reports are to be addressed to the Quarter Master General. The barrack being thus subjected to an efficient monthly inspection, and the necessary repairs, &c., periodically completed, but few additional charges need be assessed against the troops on marching out."

No. 15.—Transport of Troops by Railway (*Quarter Master General*).

I. The Field Marshal Commanding in Chief desires to draw the attention of general and other officers commanding to the "*Regulations for the transport of Troops by Railway*," which are about to be issued in a separate form from the Quarter Master General's Office, for general information and guidance.

II. The regulations are applicable to every branch of the service, and are to be observed, as far as practicable, on all occasions of the movement of troops by railway.

No. 16.—Prison Clothing (*Applicable to Foreign Stations only*).

I. His Royal Highness the Field Marshal Commanding in Chief, in concurrence with the Secretary of State for War, is pleased to direct that, at foreign stations, where there are no district military prisons, prison clothing for the use of soldiers undergoing imprisonment beyond 42 days in cells properly certified, not exceeding 5 per cent. of the strength of the regiment, may be demanded annually by officers commanding regiments, and placed in Quarter Master's stores, and that the stoppage of 1½d. a day for 28 days from the pay of the prisoners wearing the clothing shall be credited to the public in the usual manner in the regimental accounts.

II. This clothing is not to be issued to offenders who may be committed for less than 42 days to garrison cells abroad, as the prisoner's own clothing and necessaries which may be considered requisite for his cleanliness and comfort for the shorter terms of imprisonment should be taken with him to the cells on committal, as laid down in the Queen's Regulations, and the Garrison and Barrack Cells Regulations.

III. It is to be understood, however, that at foreign stations where there are no military prisons, military offenders should not, as a rule, be committed to provost cells beyond the period of 42 days, but be imprisoned, if practicable, in civil gaols. Should prisoners have to undergo extended sentences of two years, they are (with the exception of men of colonial corps) to be sent to England as soon as convenient, there to undergo the remainder of their sentences.

No. 17.—Returns of Officers' Services.

Form 360] referred to in the Circular Memorandum, 267, 29 June, 1863, republished herewith, are furnished to the Military Secretary, eby great inconvenience and obstruction are caused to the public service; His l Highness desires it to be understood that he holds commanding officers strictly nsible that these important documents are henceforth properly completed, and nally rendered, on the 1st April in each year, for every officer under their com-, and he will take serious notice of any further neglect on the subject.

Copy of Circular Memorandum, No. 267, addressed to the Army at Home and Abroad, dated Horse Guards, 29th June, 1863.

reat inconvenience being experienced by the irregular manner in which the state-nts of Officers' Services, referred to in Circular Memoranda dated 19th September, 5, and 14th May, 1856, are furnished to the Military Secretary, and also by the r imperfect manner in which these documents are prepared; commanding officers enjoined by His Royal Highness the Field Marshal Commanding in Chief to see t, in future, the directions contained in the Memoranda above quoted are more ficitly carried out, it being of the utmost importance that not only should ctuality in transmission be observed, but that *correct* and *full* information be n in every particular of an Officer's Service under each of the headings of the a 360 B."

In the case of officers on the Staff, the returns referred to above will, in future, warded to the Military Secretary by the general officers under whose command are serving, at home or abroad.

No. 18.—Armourers.

he armourers belonging to regiments at *home* are to be held in readiness to proceed Royal Small Arms Factory at Enfield for instruction in the mechanism of the ted Enfield Snider Rifles. Routes will be forwarded by the Quarter Master ral.

One month from the date of the issue of the converted arms to each regiment be allowed for the purpose of their being regularly marked, before the armourers nt to Enfield.

The course of instruction will occupy about a fortnight.

No. 19.—Gymnastics.

he Field Marshal commanding in Chief has approved of an amended form (W. O. 33) of quarterly report of officers and men instructed in the military *gymnasia*, which be taken into use on the 1st April next, in lieu of that prescribed in Appendix D he General Order No. 864 of 27th March, 1865.

No. 20.—Musketry.

His Royal Highness the Field Marshal Commanding in Chief has directed the mpanying return (Appendix A)—showing the Corps serving in the United Kingdom, Channel Islands, North America and at the Mauritius which have completed the ual musketry course for 1866-7, with their "Figure of Merit," the number of com-ies in each whose figure is 80 and upwards, the per centages of men in the 1st and classes in shooting, in the 1st class in judging distance, and of those "not exer-d," with the results of the rapid file firing and skirmishing practices—to be published he General Orders of the Army.

By this return it appears that of the 79 battalions of Infantry therein recorded, shooting of 13 is very good, of 32 good, and of 34 moderately good. In very many es, however, the result of the rapid file firing shows an average of under 12 points, ich is decidedly bad; and as His Royal Highness is compelled to believe that this de of things must be attributable either to defective training, or to an omission care-lly and intelligibly to explain to the men, before practice, the rules laid down in the neral Order of the 2nd May, 1861, he is again under the necessity of calling the atten-n of commanding officers to the orders contained in paragraphs 54, 55, page 71, of the vised Musketry Regulations, and to the necessity of the men being carefully drilled the platoon exercise before being handed over to the Instructor for the annual urse.

By Order of HIS ROYAL HIGHNESS
THE FIELD MARSHAL COMMANDING IN CHIEF.

2. Every candidate to be admitted to the competitive examination for a commission as Assistant Surgeon in our Army shall be unmarried, and shall possess such certificate or certificates as would qualify a civilian to practise medicine and surgery in Great Britain and Ireland; and before receiving a commission shall pass an examination in Military medicine, surgery, hygiène and pathology, after attending the authorized course in a general Military hospital.

3. An Assistant Surgeon shall pass such examination as our Secretary of State for War may require, and shall have served on full pay with the commission of Assistant Surgeon for five years, of which two shall have been passed in or with a Regiment or Depôt Battalion before he can be promoted to the rank of surgeon.

4. Assistant Surgeons shall, as a general rule, be promoted to the rank of Surgeon in the order of their seniority in the service, unless unfit for the discharge of their duties from physical or professional incompetence or misconduct. In cases of such unfitness, however, an Assistant Surgeon may be promoted without reference to his length of service and in such cases the recommendation detailing the services for which the officer is proposed for promotion shall be published in the General Orders of the Army, and in the Gazette in which such promotion shall appear.

5. A Surgeon after 20 years' service in any rank shall be styled Surgeon Major, but a Surgeon of less than 20 years' full pay service may be promoted to the rank of Surgeon Major for distinguished service. The recommendation detailing the services for which the officer is proposed for promotion for distinguished service shall be published in the General Orders of the Army, and in the Gazette in which such promotion shall appear.

6. A Surgeon must have served 10 years in our Army with a commission on full pay, of which period two years must have been passed with the rank of Surgeon in or with a Regiment or Depôt Battalion, before he can be promoted to the rank of Deputy Inspector General of Hospitals.

7. All promotion from the rank of Surgeon or Surgeon Major to that of Deputy Inspector, and from the rank of Deputy Inspector to that of Inspector, shall be given by selection for ability and merit, the selection being made from the whole rank of Surgeons, whether styled Surgeons or Surgeons Major; and the grounds of such selection shall be stated to us in writing, and recorded in the office of our Commander in Chief.

8. A Deputy Inspector General of Hospitals must have served five years at home, or three abroad, in that rank, before he can be promoted to the rank of Inspector General. Our Secretary of State for War in cases of emergency may shorten the several periods of service above mentioned, as he shall deem expedient for the good of our service.

10. Good service pensions shall be awarded to the most meritorious Medical officers of our army, under such regulations as shall be from time to time determined by us, with the advice of our Secretary of State for War. Six of the most distinguished Medical Officers of our Army shall be named our Honorary Physicians, and six our Honorary Surgeons.

11. Medical Officers shall have the right to retire on half pay after twenty years' service; Medical Officers of the rank of Surgeon Major, Surgeon or Assistant Surgeon, shall be placed on the retired list at the age of fifty-five, and all Inspectors General and Deputy Inspectors General at the age of sixty-five years.

12. Our Secretary of State for War may, when he shall deem it fit, employ Officers of the Medical Branch of our Hospital Department in sundry situations, at such daily rates of pay, in addition to half pay, as he shall from time to time determine.

13. A Medical Officer who having voluntarily resigned his commission has subsequently been permitted to re-enter the Army, shall not, except under very special circumstances to be approved by our Secretary of State for War, be allowed to reckon his former service.

14. An Apothecary shall have the right to retire on half pay after thirty years' good service.

Service on the West Coast of Africa.

15. A Medical Officer volunteering for service on the West Coast of Africa shall, in order to come under the provisions of the two following articles, serve on the coast for a period of at least twelve months, and shall be governed by the following regulations.

16. Each year of such service shall be allowed to reckon towards increased retirement as two years of ordinary service, but it shall not so reckon towards promotion and pay, or qualification for the rank of Surgeon Major. If an Officer shall be permitted, at his own wish, to prolong his stay on the coast, his further service shall be allowed to reckon in proportion.

ARMY CIRC. No. 3—*continued.*

17. For each year's service on the coast, a Medical Officer shall be entitled to a year's leave at home, and for every additional period beyond a year he shall have an equivalent extension of leave.

Non-Effective Pay.

18. A Medical Officer placed on half pay by reduction of establishment, or on the report of a medical board, in consequence of wounds or ill-health caused in and by the discharge of his duties, or on account of age (under Article 11), shall be entitled to half pay at the following daily rates:—

19. The rate of half pay awarded to Officers retiring for their own convenience, after twenty years' service on full pay, shall not exceed one-half of their full pay at the time of retirement.

20. Every Medical Officer who shall retire after a service upon full pay for twenty-five years, shall be granted a rate of half pay equal to seven-tenths of the daily pay he may have been in receipt of when thus retiring or proceeding on half pay, provided he shall have served three years in his rank or shall have served abroad for ten years in all ranks, or for five years with an army in the field. An Officer of twenty-five years' full pay service, whose service falls within neither of these conditions, shall be entitled to only seven-tenths of the daily pay he was in receipt of prior to his last promotion.

21. A Medical Officer placed on half pay from any other cause shall be allowed only a temporary rate of half pay (not exceeding the rates specified in Article 18) for such period and at such rate as our Secretary of State for War shall decide with reference to the services rendered to the public by such Officer.

22. Medical Officers of twenty years' full pay service, placed temporarily on half pay under Article 21, on account of ill-health may, however, be allowed to retire on permanent half pay at the rate fixed by Article 18, if after one year on half pay they shall be reported by a medical board to be permanently unfit for further service.

23. An Apothecary shall be granted pay at the following daily rate, if placed on half pay by reduction of establishment, or on account of age (under Article 14), or through ill-health, certified to the satisfaction of our Secretary of State for War to have been contracted in and by the service.

57—Aldershot—2157.

Military Store Officers are informed that the Returns of Camp Equipage and other Stores on local charge of Departments and Corps, furnished in accordance with the instruction in paragraph 3 of Circular No. 868, dated 17th June, 1864, will from the 1st January, 1867, be forwarded to this Office so soon as final decisions with respect to charges for losses and damages have been given by the Officer commanding the Forces, instead of being retained in the possession of the Military Store Officers as heretofore.

When stores are issued to or received from local charge, the fact will be stated in red ink at the top of the vouchers, and the sums chargeable against Departments or Corps will be shown in the store vouchers in which the damages or deficiencies are recorded.

15.—Hand-Barrows.

57—General Number 3537.

CLOTHING.

16.—Serge Trowsers.

51—Inf. Gen. No. 1475. March 15, 1867.

In consequence of the complaints made of the Oxford Mixture Tartan Trowsers supplied to Regiments of Infantry at home for the biennial period 1866-8, the Secretary of State for War has been pleased, on the recommendation of His Royal Highness the Field Marshal Commanding in Chief, to sanction the issue of Summer Trowsers of an improved quality, to be made as soon after the 1st of April next as possible, in anticipation of the biennial issue of 1868; and it should be clearly understood that these Trowsers will not be replaced at the public expense until 1st April, 1869.

Although the supply of Summer Trowsers is called a biennial issue, it does not necessarily imply that the Trowsers will last for two years; the issue is made to relieve the soldier to a certain extent of the stoppage to which he was liable when the Summer Trowsers were entirely kept up at his own expense.

Officers commanding may, at their option, withhold the supply of any Serge Trowsers for which application has been made on repayment, and may apply to the War Office for the return into public store of such quantity of the inferior material of serge as may still be on regimental charge.

17.—Cholera Belts.

51—2nd Bat. 3rd Ft.—645.

Instructions having been given for the delivery into store of the cholera belts in possession of Corps serving in the United Kingdom, Military Store Officers will receive the same and retain them until further orders, reporting the number received from each Corps and their condition.

GENERAL ORDERS,

BY HIS ROYAL HIGHNESS

THE FIELD MARSHAL COMMANDING IN CHIEF.

NEW SERIES. MARCH, 1867.

No. 21.—Dress of Officers.

I. Her Majesty the Queen having been pleased to approve of Officers of infantry regiments of the line wearing a blue patrol jacket instead of the double-breasted blue frock coat, His Royal Highness the Field Marshal Commanding in Chief notifies the same for general information and guidance.

II. Field Officers will have their distinctive badges embroidered in gold on the collar.

III. The sword belt will be worn under the patrol jacket; the sash will not be worn in undress.

IV. Staff and Departmental Officers wearing the infantry double-breasted blue frock coat will adopt the patrol jacket.

V. A standard sealed pattern, of which the following is an accurate description, is deposited at the Horse Guards, and is to be strictly adhered to; and to assist officers serving abroad, a sketch is also annexed (Appendix A.):—

PATROL JACKET.—Blue cloth, twenty-eight inches long, measuring from the bottom of the collar, for an Officer five feet nine inches in height, with a variation of half an inch longer or shorter for each inch of difference in the height of the wearer, rounded off in front. One inch mohair braid all round and up open slits at sides. Four double drop loops with eyes in centre, of quarter-inch flat plait up the front: top loop eight and a half inches and bottom loop six inches long. One row of knitted olivets. Austrian knot on sleeve seven inches from bottom of cuff to top of knot. Crow's toes of flat plait at top and bottom of curved side seams, with two eyes at equal distances, lower eyes one inch apart. Hook and eye up front to neck. Stand-up collar with braid on top edge only. Pockets jetted with flap in and out.

No. 22.—Band Clothing.

Her Majesty has been pleased to approve of a scarlet tunic and blue trousers being substituted for the white tunic and scarlet trousers at present worn by the band of the Royal Engineers.

No. 23.—Recruiting.

The "Regulations for conducting the Recruiting Service," having been revised and corrected up to the present time, are promulgated for general information and guidance (*in a separate form*), and are to be substituted for pages 314 to 318 of the "Queen's Regulations and Orders for the Army," 1859.

No. 24.—Musketry.

I. In view of the contemplated reduction of the School of Musketry at Fleetwood on the 30th of September next, and to admit of four complete courses of instruction being carried on yearly at the Hythe School, the modified course for Adjutants will be discontinued, and the regular courses (which in future will not exceed two months in duration) will, until further orders, commence on the 1st March, 1st May, 1st August and 1st October in each year. In order that Officers may be constantly available to fill the vacancies that may occur for instructors, both for Regiments and Depôt Battalions, arrangements should be made beforehand for a sufficient number of Captains and subalterns (volunteers when practicable) being in readiness to accompany

II. Should the above-mentioned dates fall on Sunday the parties will be required to assemble on the preceding day.

No. 25.—Gymnastics.

The annexed revised table (Appendix B.) of the hours of attendance of classes in the military Gymnasia, is to be substituted for that prescribed in the Appendix B. to the General Order, No. 864, of the 27th March, 1865.

No. 26.—Troop Horses.

I. The Secretary of State for War has provided for the casualties among the horses in mounted corps for the ensuing financial year at ten per cent., instead of twelve per cent., as fixed by the Circular Memorandum, No. 375, dated 14th May, 1866.

II. In this revised estimate of ten per cent., deaths as well as castings are intended to be included; general and commanding officers will therefore take special care to confine the castings within the prescribed limit.
